## A Preschool Learning

### Experience For

### Children Ages 3 to 5

Puddle Duck Preschool is a non-profit preschool dedicated to fostering the development of children socially, emotionally, academically, physically and spiritually. We provide a nurturing environment and age appropriate curriculum. The staff at Puddle Duck delights in the creativity and personal development of each child.

Puddle Duck Preschool is a mission of The Colby United Methodist Church. A Board of Directors governs the affairs of the preschool.

## A DAY AT PUDDLE DUCK

A typical school day may include these activities. Following directions and using our listening skills are incorporated into our day.

**\*center Time:** An opportunity to choose from a variety of centers: housekeeping, Large muscle activities (blocks, trucks, etc.), creative arts, books, easel painting, table activities (puzzles, manipulatives, playdoh, etc.), sensory table, science activities. Many other centers are added as interests dictate and are planned around the theme or lesson.

**\*circle Time:** A time for the group to talk about the theme for the week, read stories, learn finger plays, listen to records, sing songs, experiment and having fun with sound and rhythm.

**\*Snack Time:** We enjoy a healthy snack and drink. The children will be providing the snack and helping serve. We work on using good table manners and take time to have conversation with our friends.

**\*outdoor play:** This is a real favorite and offers many opportunities for physical development, social interaction, taking turns, and just having a good time. When weather does not permit, we will do large motor activities inside.

## SPECIAL FEATURES OF OUR PRESCHOOL

For the convenience of our parents, a teacher will take your child from the car and load them & buckle them up at the end of the day.

Before school begins, a parent meeting will acquaint parents with school policies, procedures and general information.

curriculum for 4/5 year old children fosters the skills needed in kindergarten in a play-based setting. center time encourages choice among activities planned for skill development, topic enrichment or just plain fun.

“Literacy bags” are offered to all our classes. This gives families opportunities to share time together while improving literacy and language development.

curriculum for 3 year old children offers leading activities in a play-based setting. group and structured activities are integrated with free play and opportunities for developing social skills.
