Call to Worship:

Liturgist: We believe in the one High God of love who created the beautiful world and everything good in it.

People: He created man and wanted man to be happy in the world.

Liturgist: God loves the world and every nation and tribe in the world. We have known this God in darkness, and we now know God in the light.

People: God promised in his book the Bible that he would save the world & all the nations & tribes.

Liturgist: We believe that God made good on his promise by sending his son, Jesus Christ, a man by the flesh, a Jew by tribe, born poor in a little village, who left his home and was always on safari, doing good, curing people by the power of God, teaching about God and man, showing that the meaning of religion is love.

People: He was rejected by his people, tortured & nailed hands & feet to a cross, & died.

Liturgist: He lay buried in the grave, but the hyenas did not touch him, and on the third day he rose from the grave.

People: He ascended to the skies. He is lord.

Liturgist: We believe that all our sins are forgiven through him. All who have faith in him must be sorry about their sins, be baptized in the Holy Spirit of God, live by the rules of love & share the bread together, to announce the good news to others until Jesus comes again.

People: We are waiting for him. He is alive. He lives. This we believe. Amen.

Responsive Psalm Reading:

Liturgist: The Lord is my chosen portion and my cup; you hold my lot.

People: The lines have fallen for me in pleasant places; I have a glorious heritage.

Liturgist: I bless the Lord who gives me counsel; even at night my heart instructs me.

People: I have set the Lord always before me; the Lord is at my right hand; I shall not be moved.

Liturgist: Therefore my heart is glad, and my soul rejoices; my body also dwells secure.

People: For you do not give me up to Sheol, or let your godly one see the pit.

Liturgist: You show me the path of life;

People: in your presence there is fullness of joy, in your right hand are pleasures for evermore.
