

Today's Scripture Reading

Mark 4³⁰⁻³⁴

Again he said, "What shall we say the kingdom of God is like, or what parable shall we use to describe it? It is like a mustard seed, which is the smallest of all seeds on earth. Yet when planted, it grows and becomes the largest of all garden plants, with such big branches that the birds can perch in its shade."

With many similar parables Jesus spoke the word to them, as much as they could understand. He did not say anything to them without using a parable. But when he was alone with his own disciples, he explained everything.

Call to Worship

What is the kingdom of God like?
It is like a mustard seed, small when planted in the ground.
Yet when it is sown, it grows and puts forth great branches.
And the birds of the air find shelter in its shade.
God' kingdom is growing, often in ways we cannot see.
What begins small in God's hands can grow beyond our imagining.
Come, let us worship with God whose power is at work among us!
Praise be to God, whose kingdom grows and whose faithfulness never fails!
