What is Neighbors Helping Neighbors?

When the young lawyer asked Jesus who is my neighbor, Jesus tells the parable about the Good Samaritan. This man helped one who had been beaten and left for dead by robbers. At the end of the tale, Jesus asks the lawyer, "Who was a neighbor to this man?" The reply was the one who shows mercy. Jesus then tells the young man...and us: "Go and do likewise." (Luke 10:37)

We are called, as a tangible way of showing our faith in Christ to do good works. James writes in his letter that "faith without works is dead." (2:26)

As such, the Time, Talent, and Resource Inventories will be used to connect people of the church with people in the community who are in need of "one who shows mercy."

Through this ministry, we will show how alive our faith is, and reflect Christ in Colby and beyond.
